HOMECOMING

It was a sunny, slightly breezy day, perfect weather for such an occasion. As half time rolled around the band members, majorettes, and cheerleaders demonstrated the results of their long practices in front of a cheering crowd. The anticipation built up until the highlight of the day occurred. Three representative girls were chosen for the homecoming court. Second runner up was Linda Mirachi, first runner up was Jill Ellis, and Queen Michelle Curtis.

After a disappointing loss 32-20 to Taunton, crowds flocked home to rest up for the dance. At this time, the King and "Princes" were honored. Brian Shaunessy was the second runner up, Mike Picard, our first runner up, and the King ..... Scott Almeder. Flowers and gifts were given to these recipients as well as semifinalists ... Becky Pesko, Kim Dalzwll, Andy Cushman, and Ged Driscoll.

MR. PAUL GRAY

Mr. Gray is a special person with years of dedication to a profession which is rarely recognized for its difficulty and importance. His reward is to see his students learn and grow. The Class of 1986 will never forget Mr. Gray for what h has given of himself to us.

EDICATION

MR. MICHAEL HERN

Mr. Hern is an example of a person who enjoys his profession. With a spirited sense of humor and wide knowledge of his subjects, he transfers his personal enthusiasm into his classes, which is no easy task for Economics and History. But what is most remembered about him is that he considers his students as equals, allowing them to voice their opinions. We'll remember Mr. Hern because he takes "stock" in his students.

AIR GUITAR CONTEST

Annually the Junior class holds an Air Guitar Contest. In this event some of the world's greatest pop stars came to life and visited MHS through the students. Those who performed dressed up, danced and sang to their favorite music. Those in the audience clapped along and cheered for their favorites. Their cheers this year decided that Dan O'Gara would win with his rendition of Madonna's "Burning Up". A fine time was had by all.

THANK YOU . . . MR. LALUMIERE!!

It is impossible to condense all that Mr. John Lalumiere has given to the class of 1986 into one paragraph. He has been more than just an advisor, he has been a teacher, and more importantly, a friend. His unique sincerity and total commitment has inspired class officers and members. Because he is involved, because he cares, so does his class. This has been the key to the success of every class activity and the resulting success of the class of 1986.
